

## DAILY MARKET QUOTATIONS

## LESS TALK OF PEACE HARDDENING TO CORN

Chicago, Jan. 9.—Corn prices hardened today largely as a result of a lessening of peace talk and meager receipts. The market was also bullish affected by fresh steps looking to a possible lifting of the maximum price limit on future deliveries. Open-out quotations which ranged from a shade off to 14c advance, with January at 12c and May at 1.25 to 1.25c, were followed by a slight general upturn.

Forecast of more snow and of severe cold presented any important reaction. The close was firm, 13.50c to 13.75c higher with January 12.75c and May 1.25c.

Cattle receipts, 10,000, tomorrow,

14,000 strong, native steers, 13.50c

13.75c, steers and feeders, 8.50c

10.75c, cows and heifers, 5.50c to 11.50c.

Sheep receipts, 5,000 tomorrow; 5,000 strong, lambs, 5.50c to 13.75c, lambs, 14.00c to 17.75c.
